

Frost & Sullivan’s Asia-Pacific Best Practices Awards Honors the Top Companies in the Region

Singapore, 29 August 2019 – Frost & Sullivan honored Asia’s leading companies at its Asia-Pacific Best Practices Awards banquet held on 29 August at the Shangri-La Hotel in Singapore.

Mr. Shivaji Das, Partner & Asia-Pacific Managing Director at Frost & Sullivan noted that the Asia-Pacific Best Practices awards have been consistently identifying and recognizing the best-in-class companies that have demonstrated excellence in various industries.

“Through this initiative, we hope that the recognition will encourage companies in the region to continue their best in expanding their business locally and regionally. Frost & Sullivan is proud to recognize these companies for their strategic ideas that drive corporate growth amidst the evolving business landscape,” he added.

Zoom Video Communications, Singtel, Arkadin, Huawei and True Corporations were amongst the companies honored.

The recipients of the annual Frost & Sullivan Asia-Pacific Best Practices Awards were identified based on in-depth research conducted by Frost & Sullivan's analysts. The award categories offered each year are carefully reviewed and evaluated to reflect the current market landscape and include new emerging trends.

The nominated companies were then evaluated on a variety of actual market performance indicators which include revenue growth; market share and growth in market share; leadership in product innovation; marketing strategy and business development strategy.

Frost & Sullivan congratulates all the recipients of the 2019 Asia-Pacific Best Practices Awards.
