

Frost & Sullivan Best Practices Awards Honour the Best in Class in Asia-Pacific Industry

Singapore, 15 September 2020 – [Frost & Sullivan 2020 Best Practices Awards](#) honoured Asia-Pacific organizations that have accomplished innovative or disruptive breakthroughs and have continually demonstrated excellence.

“These awards acknowledge and honour the best-in-class companies which have continually demonstrated excellence in their respective industries. I am confident they will continue to inspire through their achievements in their respective fields,” said **Shivaji Das**, Partner & Asia-Pacific Managing Director at Frost & Sullivan.

Frost & Sullivan follows its proprietary, measurement-based methodology combined with extensive research, in-depth interviews, analysis, and benchmarking to shortlist deserving companies in each category. With real-time performance indicators such as market share, revenue growth, customer acquisitions, product/service value, and technology innovation forming the backbone of the selection process, the winners represent the best of the best in the Asia-Pacific region.

17 awards were presented that were segmented into regional and national categories. Frost & Sullivan congratulates all recipients of the 2020 Asia-Pacific Best Practices Awards.
